

## Thanet Archery Club Introduction to Archery

Thank you for your enquiry concerning our beginner's course. You will be advised of the date of the course via email

The Club is situated at:  
The Frank Pullen Building,  
Kent International airport,  
Manston,  
Ramsgate  
CT12 5BL.

What3Words location Yesterday-Narrowest-Without

The session starts at 9.30am and finishes at 3.00pm. "Please arrive in good time"  
The club will supply all the equipment needed for the course. "Please do not buy any equipment beforehand"

We suggest you wear close fitting clothes that can be layered as needed to suit the weather, believe me shooting in a puffy coat is not easy! No open toed shoes or upper body piercings are permitted. You will also need to bring a packed lunch, a drink and sun cream/hat if the sun is shining on the day.

All persons under the age of 18 must be accompanied by a 'responsible adult' (parent, Guardian or adult nominated in writing) and this person must stay throughout the course.

The course cost £65.00 for adults & £30.00 for juniors. A non-returnable deposit of £10.00 along with your application will secure your place if you wish to take part. Please complete the slip below and return it to me by email. We have many interested people so places are limited.

Please note the field and all buildings are a no-smoking zone
